

March 4, 2008

Dear Parents and Swimmers,

We will be offering two weeks of stroke clinics again this year and adding a start and turn clinic at the end of April. They were very helpful to all of the swimmers last year and we are excited to run them again. **There will only be 24 swimmers allowed into each clinic and they will sell out extremely quickly.**

Each week will focus on 2 different strokes. Here is a list of the times and dates of the clinics:

March 31 st - April 3 rd	4:15-5:15PM	Breast/Fly
April 7 th – April 10 th	4:15-5:15PM	Back/Free
April 26 th -27 th	1 - 3PM	Starts and Turns - with Adam

Each clinic will cost \$42 and is offered to all levels of swimmers. The kids will be split into different levels so it is beneficial to all. Please return the bottom part of this form with your check to guarantee a spot in the clinics, as it will be first come, first serve.
