

*We build strong kids,
strong families,
strong communities.*

Schroeder YMCA Swim Team

February 7, 2008

1. The 28th Annual Schroeder A+ was nearly perfect in every way. We had lots of strong performances and as a team we were runner up to Academy Bullets. Both Matt and Dave have gotten lots of praise from our peers about how well run our meet is from year to year.

You parents do so much to support your children and their activities. Literally hundreds of hours of time go into pulling off a meet of the caliber that A+ is and the only people who are compensated are some officials and the folks who do the parking duty.

So a “good job” and thanks to all who raced and helped make the meet so successful again this year.

2. All athletes with chances to participate in the National YMCA meet should have received a note with a tentative itinerary and costs.
3. Swimmers should begin to identify their season ending meet(s) and entries. Meet information for WI Swimming, Inc and Wisconsin YMCA Swimming is posted on the respective sites.

4. We'll send out a timeline for the Regional Meet when we get it but recall that for non-Schroeder meets you generally buy the heat sheet at the meet. There will be practice for Groups 1 & 2 on Tuesday 2/12 but there will not be practice Sat or Sun 2/16 & 17 with the Regional Meet going on.

thanks for reading,
your SSTY Coaches
