

# Schroeder YMCA Swim Team

**April 28, 2008**

1. We reached our goal of raising \$1,000,000 last Tuesday when Wisconsin Swimming, Inc. approved a ten year grant totaling \$250,000. Achieving Phase I of the capital campaign is a big step for the future of the facility. There are so many families and organizations to thank for helping us achieve this big goal so quickly. Now, we have to conclude the sale of the facility and continue on with more fundraising - still plenty of challenges remain but there are also great opportunities to look forward to!
2. The SEAY - IMX Challenge is Saturday afternoon and Sunday. A session report is attached. There will be practice changes associated with this meet:
  - a. groups 3-6 will train together from 9 - 11 am on Saturday
  - b. groups 4-6 will lift after swim on from 11 - 11:45 AM
  - c. no practice on Saturday for groups 1 & 2
  - d. no practice for all groups on Sunday
3. Please mark your calendars. The Spring Team Awards Banquet has been scheduled Friday, May 16 at the JCY at 5 - 7 PM.
4. Finally, we will be starting a swim lesson program here in June. More information will be available in the next few weeks but as you plan for summer, consider our swim lessons for your younger kids.

High school-age swimmers who are interested in teaching lessons should let Matt or Dave know of your interest.
