

# Schroeder YMCA Swim Team

*We build strong kids,  
strong families,  
strong communities.*

**October 4, 2007**

1. Meet information for our first meet, here at the YMCA on October 13, is posted on our site under the SWIM MEET SCHEDULE tab. The first meet is an informal smaller one that we call the Pentathlon. The idea is that your swimmer(s) should enter all five events even if they do not have mastery of the stroke(s). The meet will be “lightly” officiated but the idea is to give our younger swimmers a baseline time in the four strokes and an IM (individual medley). **Entries were due yesterday, Wednesday, Oct 3.**

**Our team's entries are included in this email for you to check over. Please let us know of mistakes asap.**

2. Meet information for the second meet is now posted on our site. The YMCA of the Pabst Farms meet is on November 3 and is recommended for swimmers in groups 1-3. **Entries for this meet are due on Wednesday, October 17.**
3. All athletes should have submitted their 2008 USA Swimming Registration form with a check – make sure!
4. Super Meets sign up is going very well. If you have not already, please get registered and signed online – there's a link from the front page of our site. You should have already turned in your swim team family work requirements form as well.

5. The all team fall Spaghetti Dinner will be Thursday, October 25 after your group finishes training. A sign up form is posted on our front page.

6. Due Dates:

October 1	Swim team family work requirements USA swimming registration forms & payment Super Meets sign up start date
October 3	Fall Pentathlon meet entry due
October 8	Spaghetti Dinner form and payment
October 17	YMCA of Pabst Farms meet entry due
